Declaration Regarding E-Governance

It is hereby declared that the college uses several E-Governance Softwares for various administrative tasks in the College, many of which are softwares / web-services provided by the Government of West Bengal. The following softwares / web-services are used for the corresponding tasks:

1. WBIFMS: Used for salary and arrear payment of staff. Also used for accessing PF statements and pay fixations.
2. KOHA: Used for library management.
3. College Admission Website: Used for college admissions.
4. CAMS software: Used for miscellaneous administrative tasks in the college.
5. DR software: Used for Examination Management.

It is also hereby declared that since many of the services are provided by the Government of West Bengal, they do not fall under the purview of the college Governing Body, and hence we believe that the reports generated by such services are automatically approved. Also note that other softwares / services that are purchased by the college have gone through meticulous examination by the administration and only after that the purchase of such softwares is approved. Therefore, separate approval of such reports generated by the softwares is not required in our point of view. But if necessary, the college will comply with such approval request.
