

Different Seminars and Workshops

organized by Achhruram Memorial College, Jhalda

One Day Workshop on “framing of semester based UG syllabi as per CBCS”

Organized by Department of History, A.M. College, Jhalda

Venue: Achhruram Memorial College, Jhalda

Date: March 8, 2018

Achhruram Memorial College, located in Jhalda, Purulia, has partnered with the Department of History at Sidho-Kanho-Birsha University, Purulia, to host a significant workshop titled "Framing of Semester Based UG Syllabi as per CBCS" on March 8, 2018, at 11:00 am. The workshop, coordinated by Samar Kanti Chakraborty, Head of the History Department at Achhruram Memorial College, aims to guide faculty members in designing undergraduate syllabi that comply with the guidelines of the Choice Based Credit System (CBCS).

The workshop's primary objective is to provide participants with a comprehensive understanding of CBCS principles and their practical application in structuring history curricula. By embracing CBCS, the initiative seeks to enhance curriculum flexibility, align academic standards with contemporary educational requirements, and ensure a more integrated learning experience for students. Participants can anticipate interactive sessions, expert insights, and practical exercises tailored to crafting syllabi that not only meet CBCS criteria but also foster critical thinking, research skills, and a thorough understanding of historical contexts among students.

This collaborative effort underscores Achhruram Memorial College's dedication to advancing educational excellence through innovative curriculum development and academic partnerships. By leveraging the collective expertise of both institutions, the workshop aims to empower faculty members to enrich the academic environment and better equip students for the complexities of today's globalized world.

One day workshop on “Save the Girl Child with an Overview of Pre-conception and Prenatal Diagnostic Technique act”

Organize by Achhruram Memorial College with the Collaboration with Department of Health & Family Welfare Govt. of West Bengal.

Venue: Achhruram Memorial College, Jhalda

Date: 11.07.2018

Achhruram Memorial College, in collaboration with the Department of Health & Family Welfare, Government of West Bengal, is hosting a one-day workshop titled "Save the Girl Child with an Overview of the Pre-conception and Prenatal Diagnostic Technique Act." The workshop aims to critically examine issues surrounding gender bias and prenatal sex determination by providing participants with an extensive understanding of the Pre-conception and Prenatal Diagnostic Techniques (PCPNDT) Act. This includes an in-depth exploration of the Act's legal framework, its regulatory measures, and the societal implications of ensuring the protection of the girl child's rights and dignity. The event is structured to incorporate expert presentations, interactive sessions, and panel discussions, intended to engage healthcare professionals, legal experts, educators, students, and community leaders in substantive discourse. By fostering heightened awareness and advocacy, the workshop endeavors to contribute to the advancement of gender equality and child welfare initiatives in the state of West Bengal.

One day Workshop on “Craft”

Organized by NSS Unit I, II, III, of Achhruram Memorial College, Jhalda

Venue: Achhruram Memorial College, Jhalda

Date: 13.12.2018

On December 13, 2018, Achhruram Memorial College in Jhalda hosted a dynamic one-day workshop on "Craft," orchestrated collaboratively by NSS Unit I, II, and III. This event served as a vibrant platform for students to immerse themselves in the world of creative expression and craftsmanship. From the outset, the atmosphere was charged with excitement as participants from various disciplines converged to explore and hone their skills in diverse craft forms. The workshop kicked off with introductory sessions where participants were introduced to the basics of paper crafting, origami, and clay modeling. These sessions were not just instructional but also interactive, with experienced mentors guiding students through techniques and encouraging experimentation. As the day progressed, more specialized workshops were offered, catering to individual interests and allowing deeper dives into techniques like fabric painting and advanced clay sculpting. The emphasis throughout was on fostering creativity and innovation, encouraging participants to unleash their imagination and create unique pieces. Beyond skill development, the workshop fostered a strong sense of community and collaboration. Participants worked together on group projects, creating artworks that would later be used for charitable causes or displayed locally. This aspect underscored the workshop's broader impact, highlighting the NSS units' dedication to using creativity as a vehicle for social good. The day concluded with a showcase where participants proudly exhibited their creations, sharing stories of inspiration and growth. The workshop's success was palpable in the enthusiasm and camaraderie it fostered among participants, leaving a lasting impression and igniting a renewed passion for crafts within the college community.

One Day Workshop on NAAC, Organized by Achhruram Memorial College, Jhalda

Venue: Achhruram Memorial College, Jhalda

Date: 03.04.2019

On April 3rd, 2019, Achhruram Memorial College in Jhalda organized a workshop focused on the National Assessment and Accreditation Council (NAAC) on intimation by Inspector of Colleges, SKBU. The workshop aimed to familiarize faculty and staff with NAAC's accreditation process and criteria, essential for evaluating and accrediting higher educational institutions in India. Led by Debapam Raha, the IQAC coordinator, the sessions were designed to deepen understanding of accreditation standards, including the preparation of self-study reports and best practices for meeting assessment criteria.

Participants engaged in discussions led by experts in higher education quality assurance, exploring the significance of NAAC accreditation in enhancing institutional quality, promoting excellence in higher education, and facilitating continuous improvement. They also delved into the benefits of accreditation, such as institutional recognition, eligibility for funding, and alignment with national and international benchmarks.

Interactive sessions provided a platform for attendees to clarify doubts, share experiences, and learn from successful accreditation practices adopted by peer institutions. Practical guidance on documentation, data collection methods, and quality assurance mechanisms was imparted, equipping colleges to effectively prepare for the accreditation process.

Overall, the workshop underscored Achhruram Memorial College's commitment to quality assurance and educational excellence. By organizing such initiatives, the college aimed to strengthen institutional capabilities, enhance academic governance, and align with national educational goals. Debapam Raha's leadership as the IQAC coordinator ensured the workshop's success in preparing the college community to meet the evolving challenges and standards in higher education.

One Day National Seminar on “Interdisciplinary on Mathematics an Evaluation” –IME-2019

Organized by Department of Mathematics, A. M. College, Jhalda

Venue: Achhruram Memorial College, Jhalda

Date: 17.04.2019

The one-day national seminar on "Interdisciplinary Mathematics: An Evaluation" is poised to be a transformative event focusing on the intersections of mathematics with a diverse spectrum of fields, offering deep insights into its practical applications, challenges, and future potentials. The seminar will kick off with a keynote address delivered by a prominent mathematician or interdisciplinary expert, emphasizing the profound importance of interdisciplinary mathematics and establishing a robust foundation for the day's discussions. Researchers and scholars will present papers that examine specific case studies and research findings where mathematics intersects with disciplines such as physics, biology, economics, and beyond, showcasing the versatility and impact of mathematical methodologies in solving complex real-world problems. Panel discussions will provide a forum for experts to engage in rigorous debates on current trends and emerging issues within interdisciplinary mathematics, addressing topics ranging from methodology integration to collaborative challenges. Hands-on workshops and tutorials will offer practical sessions for participants to explore and apply mathematical techniques applicable across various domains, fostering skill development and innovation. Poster sessions will highlight cutting-edge research projects, stimulating dialogue and knowledge exchange among attendees. The seminar will conclude with closing remarks that distill key insights and chart future directions for enhancing interdisciplinary collaboration in mathematics, aiming to catalyze ongoing dialogue, collaboration, and knowledge dissemination among researchers, academics, and practitioners. Ultimately, the seminar aims to significantly advance interdisciplinary research at the nexus of mathematics and diverse fields, ultimately benefiting society through innovative solutions and holistic advancements.

One Day State Level Workshop on “Python for Scientific Computing”

Organized by Department of Physics, A.M. College, Jhalda

Venue: Achhruram Memorial College, Jhalda

Date: 08.05.2019

The upcoming one-day state-level workshop on "Python for Scientific Computing" organized by the Department of Physics promises to be an exciting learning opportunity tailored for students interested in both teaching and research. The workshop will kick off with a beginner-friendly introduction to Python, ensuring that even those new to programming can grasp the basics effectively. We will then delve into exploring essential Python libraries like NumPy, SciPy, and Matplotlib, which are crucial for tasks such as manipulating data, performing statistical analyses, and visualizing results in scientific research. Through hands-on sessions, participants will apply Python skills in practical exercises, reinforcing their learning step-by-step. Practical examples of Python applications in physics will highlight its usefulness in simulations, modeling various phenomena, and solving complex scientific problems, bridging theoretical knowledge with real-world applications. Advanced topics will cater to more experienced participants, offering insights into optimization techniques and advanced algorithms used in cutting-edge research. Engaging Q&A sessions and discussions will foster interaction and deepen understanding, while networking opportunities will enable students to connect with peers and experts in the field. By the end of the workshop, attendees will gain confidence in using Python for scientific computing, equipping them with valuable skills to excel in their academic pursuits and make meaningful contributions to advancements in physics and related disciplines.

International Symposium on 'Insects as food and medicine for human and livestock'
sponsored by Achhruram Memorial College, Jhalda and National Autonomous University of
Mexico

Venue: Achhruram Memorial College, Jhalda

Date: 17.07.2019

Achhruram Memorial College, Jhalda, and the National Autonomous University of Mexico jointly sponsored an International Symposium on 'Insects as Food and Medicine for Human and Livestock,' which took place as a groundbreaking event aimed at exploring the diverse and transformative potential of insects in addressing pressing global challenges related to food security and healthcare.

The symposium served as a comprehensive platform where students delved into the multifaceted benefits of insects. They gained insights into the nutritional richness of insects as sustainable food sources, acknowledging their high protein content, vitamins, and minerals, which offer viable alternatives to conventional protein sources such as meat and fish. Understanding their nutritional composition and potential applications in human diets was emphasized as global populations grew and traditional food production methods faced sustainability challenges.

Moreover, the symposium highlighted the medicinal properties of insects for human and livestock health. Many insects were noted for containing bioactive compounds used in traditional medicine for centuries, opening new avenues for pharmaceutical research and the development of novel treatments.

Participating students had the opportunity to engage with leading international experts and researchers specializing in entomophagy (insect consumption) and insect-derived medicines. They attended presentations on cutting-edge research, case studies, and practical applications, gaining firsthand knowledge of current trends and future prospects in these fields.

Furthermore, discussions at the symposium covered sustainable insect farming practices, regulatory frameworks, and the socio-economic impacts of integrating insects into food and medicine sectors. Students critically examined the cultural and environmental dimensions of insect consumption, broadening their understanding of global food systems and sustainability challenges.

Overall, the symposium not only broadened students' academic perspectives but also inspired them to explore new pathways in scientific research. By fostering interdisciplinary dialogue and knowledge exchange, the event empowered students to contribute meaningfully to global efforts in enhancing food security, promoting sustainable agriculture, and advancing healthcare solutions through innovative approaches involving insects.

International symposium on insects as food and medicine for human and livestock

Sponsored by: Acharya Nandaram College, Andhra Pradesh and National Autonomous University of Mexico, Mexico

Venue: Acharya Nandaram College, Andhra Pradesh, India

Date: 17/07/2018

Organized by: Department of Zoology, Acharya Nandaram College, Andhra Pradesh, India

Programme:

Morning 10.30: Registration

Morning 11.00-11.30:

- Inauguration
- Welcome message by Principal
- Speech of Chief Guest (GIC), Andhra

Session I:

Morning 11.30-12.30:

- Inauguration address by Prof. J.P.P. Pereira, Professor of Zoological Sciences, Department of Zoology, National Autonomous University of Mexico, Mexico
- Inauguration address by Prof. Parmanand Mishra, Professor of Zoology, VSSUT, Burla, Odisha, India

Session II:

Afternoon 12.30-1.30:

- Plenary lecture 1 by Prof. Chokk Kumar Phani, Professor of Zoology, VSSUT, Burla, Odisha, India
- Plenary lecture 2 by Dr. Sridhar Kumar Phani, Professor of Zoology, Acharya Nandaram College, Andhra Pradesh, India

Afternoon 1.30-2.30: Lunch

Session III:

Afternoon 2.30-3.00:

- Technical session 1 by Dr. Chandrababu Theobald, Assistant Professor of Zoology, Acharya Nandaram College, Andhra Pradesh, India
- Technical session 2 by Dr. Parmanand Mishra, Assistant Professor of Zoology, Acharya Nandaram College, Andhra Pradesh, India
- Technical session 3 by Dr. Anil Kumar Phani, Assistant Professor of Zoology, Acharya Nandaram College, Andhra Pradesh, India

Afternoon 3.00-3.30: Poster session

Afternoon 3.30: Vote of thanks, awarding ceremony and Vote of thanks

ORGANISING COMMITTEE

Patron: National Autonomous University of Mexico, Mexico

Chief guest: Pt. Sankar Kumar Shukla, IISU Andhra

Honour: Prof. Anup Kumar, Principal, Acharya Nandaram College, Andhra Pradesh

Organizing secretary: Dr. Anil Kumar Phani, Assistant Professor, Department of Zoology, Acharya Nandaram College, Andhra Pradesh

For registration, submission of abstract and any query contact:

Dr. Anil Kumar Phani, +91 9329423573, e-mail: anilphani@anandram.ac.in

Registration fees:

Rs. 200/- for teachers
Rs. 100/- for students

National level Seminar on 'Snake and Snake Bite: Myth, Reality and Challenges
Organized jointly by Department of Geography and Zoology, funded by West Bengal
Biodiversity Board

Date: 04.12.2019

Venue: Achhruram Memorial College, Jhalda

On December 4, 2019, a national-level seminar on 'Snake and Snake Bite: Myth, Reality, and Challenges' was organized jointly by the Department of Geography and Zoology, with funding from the West Bengal Biodiversity Board. The seminar served as a crucial platform for addressing the myths and realities surrounding snakes and snakebites, shedding light on the challenges associated with human-wildlife interactions in this context.

Experts and researchers from across the country gathered to present their findings and discuss various aspects related to snakes, including their biodiversity, ecological significance, and the medical implications of snakebites. Presentations delved into the cultural perceptions of snakes, highlighting prevalent myths and misconceptions that contribute to fear and misunderstanding.

The seminar also focused on the practical challenges faced in snakebite management, emphasizing the importance of timely medical intervention and community awareness programs. Participants engaged in constructive discussions on improving healthcare infrastructure in rural areas prone to snakebites, advocating for the development of effective antivenom and treatment protocols.

Moreover, the event facilitated networking among professionals in geography, zoology, public health, and wildlife conservation, fostering interdisciplinary collaborations aimed at mitigating the impact of snakebites on human health and promoting coexistence with snakes in their natural habitats.

By the conclusion of the seminar, participants had gained a deeper understanding of the complex dynamics surrounding snakes and snakebites, equipped with new insights and strategies to address the challenges posed by these issues. The seminar's outcomes included recommendations for policy-makers and stakeholders to enhance snakebite management practices, promote biodiversity conservation, and debunk myths through education and awareness initiatives.

Organizing Committee

President: **Dr. M. Suresh Babu**, Director, WCU
 Vice President: **Dr. M. Suresh Babu**, Director, WCU
 Secretary: **Dr. M. Suresh Babu**, Director, WCU

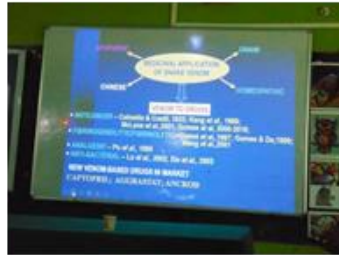

Programme Schedule

10:00 am - 11:00 am: Inauguration
 11:00 am - 12:00 pm: Session 1
 12:00 pm - 1:00 pm: Session 2
 1:00 pm - 2:00 pm: Session 3
 2:00 pm - 3:00 pm: Session 4
 3:00 pm - 4:00 pm: Session 5

A One Day National Workshop on “C-Programming for Mathematical Computing”
Organized by Department of Mathematics, A.M. College, Jhalda

Date: 05.02.2020

Venue: Achhruram Memorial College, Jhalda

A One-Day National Workshop on 'C-Programming for Mathematical Computing,' organized by the Department of Mathematics on February 5, 2020, catered not only to students but also provided valuable insights and skill enhancement opportunities for teachers. The workshop aimed to equip educators with advanced knowledge and practical skills in C programming tailored for mathematical applications. Teachers participated in sessions focused on exploring the theoretical foundations and practical aspects of using C language for mathematical computations, simulations, and data analysis. They engaged in hands-on exercises and collaborative learning activities designed to deepen their understanding of algorithms, numerical methods, and optimization techniques essential for teaching and research in mathematics. Additionally, the workshop facilitated discussions on innovative pedagogical approaches and strategies for integrating programming into the curriculum effectively. By enhancing their proficiency in mathematical computing with C programming, teachers were empowered to impart practical, real-world applications of programming to students, fostering a more interactive and engaging learning environment. The successful organization of this workshop highlighted the Department of Mathematics' commitment to continuous professional development for educators, ensuring they remain at the forefront of delivering quality education and preparing students for future challenges in mathematics and computational sciences.

A One Day National Webinar on “Mathematical Model on Covid-19”

Organized by Department of Mathematics, A. M. College, Jhalda

Date: 09.06.2020

Venue: Achhruram Memorial College, Jhalda

The webinar on "Mathematical Models of COVID-19," hosted by the Mathematics Department at Achhruram Memorial College, Jhalda, on June 9, 2020, was a transformative educational opportunity for students. This event immersed participants in the intricate world of epidemiological modeling, offering a thorough exploration of how mathematical models like SIR and SEIR are applied to understand and manage the spread of COVID-19. Through insightful presentations and interactive sessions, students gained practical insights into modeling disease dynamics, analyzing pandemic data, and predicting the impact of interventions. The webinar's emphasis on real-world application allowed students to engage directly with COVID-19 data, honing their skills in model calibration, validation, and interpretation. Beyond technical proficiency, the webinar fostered critical thinking by addressing ethical considerations and the societal implications of using mathematical models in public health decision-making. By equipping students with these invaluable tools and perspectives, the webinar not only enhanced their academic understanding but also prepared them to contribute meaningfully to future efforts in combating infectious diseases and shaping evidence-based public health policies. Achhruram Memorial College's commitment to organizing such insightful events underscores its dedication to fostering well-rounded and knowledgeable leaders capable of addressing global health challenges with expertise and compassion.

A ONE DAY NATIONAL WEBINAR
ON
MATHEMATICAL MODELS ON COVID-19

DATE: 09/06/2020, 1PM ONWARDS

ORGANIZED BY:
DEPARTMENT OF MATHEMATICS

THE WEBINAR ROOM WILL BE OPENED ONLY ON 09/06/2020 AT 1PM

ঝালদা অচ্ছুরাম কলেজে গণিত বিষয়ে সেমিনার

নিজস্ব সংবাদদাতা,ঝালদাঃ
ঝালদা অচ্ছুরাম মেমোরিয়াল
কলেজের গণিত বিভাগের
উদ্যোগে হল এক দিবসীয়
জাতীয় ওয়েব সেমিনার গত
৯ জুন। কোভিড-১৯ এর উপর
গাণিতিক মডেল শীর্ষক এই
সেমিনার উদ্বোধন করেন
কলেজের অধ্যক্ষ ডঃ অরুণকান্তি সেনার। তিনি
বলেন, সেমিনারটি খুবই সমর্যোগ্যোগী।
সেমিনারের আয়োজক তথা গণিত বিভাগের
বিভাগীয় প্রধান ডঃ শিবাজী সিং দেও বলেন,
কোভিড-১৯ অতিমারীর ফলে আজ দেশে স্কুল,
কলেজ, বিশ্ববিদ্যালয় সম্পূর্ণ রূপে বন্ধ। তাই
এই সময়কে কাজে লাগিয়ে
এবং সামাজিক দূরত্ব বজায়
রেখে ওয়েবের মাধ্যমে এই
সেমিনার করার উদ্যোগ নেওয়া
হয়। আন্তর্জাতিক এই
বিপর্যয়কে কিভাবে নিয়ন্ত্রণ
করা যেতে পারে তা নিয়ে হয়
দীর্ঘ আলোচনা। দেশের
খ্যাতিনামা গণিতজ্ঞ ডঃ বিমল কুমার মিশ্র
করোনা নিয়ন্ত্রণের বিষয়ে দীর্ঘ আলোচনা করেন
উক্ত সেমিনারে। ঝালদা অচ্ছুরাম কলেজে এই
সেমিনারে অংশগ্রহণ করেন দেশের বিভিন্ন
রাজ্যের ১৮০ জন গণিতের অধ্যাপক, ৪০ জন
গবেষক ও ৫০ জন ছাত্র ছাত্রী।

Three days online training program on "Heartfulness Enabled Leadership Mastery"
Organized by Achhruram Memorial College, Jhalda

Date: 06.07.2021

Venue: Achhruram Memorial College, Jhalda

Achhruram Memorial College, Jhalda, successfully organized a three-day online training program titled "Heartfulness Enabled Leadership Mastery" on July 6, 2021. This program was a crucial initiative aimed at developing essential leadership skills in participants, particularly in light of the ongoing challenges posed by the COVID-19 pandemic. The training focused not only on imparting heart-centered leadership principles—emphasizing empathy, resilience, and ethical decision-making—but also addressed the critical aspects of mental and physical well-being during these uncertain times. Through a well-rounded curriculum featuring interactive sessions, expert-led workshops, and practical exercises, participants gained valuable insights into effective leadership practices while also learning strategies to manage stress, enhance mental health, and maintain physical well-being. The online format ensured accessibility and safety, allowing participants to engage from various locations while adhering to health guidelines. By integrating teachings on resilience and emotional intelligence with practical applications, the program equipped participants to navigate and mitigate the challenges brought about by the pandemic. Achhruram Memorial College's proactive organization of this program underscores its commitment to nurturing resilient leaders capable of leading with empathy and effectiveness in times of adversity, thereby making positive contributions to their organizations and communities.

14 Weeks online training program on "Heartfulness Enabled Leadership Mastery"

Organized by Achhruram Memorial College, Jhalda

Date: 05.09.2021

Venue: Achhruram Memorial College, Jhalda

The 14-week online training program on "Heartfulness Enabled Leadership Mastery," meticulously organized by Achhruram Memorial College, Jhalda, on September 5, 2021, stands as a testament to the college's commitment to fostering transformative leadership capabilities amid the challenges posed by the COVID-19 pandemic. This innovative program was designed not only to empower participants with a profound understanding of heart-centered leadership principles—emphasizing empathy, resilience, and ethical decision-making—but also to address the unique mental and physical stresses exacerbated by the pandemic. Through a structured curriculum featuring interactive sessions, expert-led workshops, and practical exercises, participants not only gained valuable leadership skills applicable to professional and personal spheres but also learned strategies to manage stress, maintain well-being, and enhance resilience during uncertain times. The online format ensured accessibility and flexibility, enabling participants to engage meaningfully while adapting to remote learning demands. By bridging theoretical knowledge with practical applications, the program not only strengthened participants' leadership acumen but also cultivated a deeper sense of self-awareness and emotional intelligence essential for navigating and overcoming challenges. Achhruram Memorial College's proactive initiative in organizing this program underscores its dedication to nurturing well-rounded leaders capable of driving positive change in their organizations and communities, even amidst adversity..

One Day Seminar on “Youth Employment: Challenges and Opportunities”

Organized by Career Counselling Cell in collaboration with IQAC
Sponsored by Achhruram Memorial College, Jhalda, Purulia

Venue: Venue: A.M. College, Seminar Hall

Date: 25.03.2022

The Career Counselling Cell of Achhruram Memorial College, Jhalda, Purulia, in collaboration with the Internal Quality Assurance Cell (IQAC), is pleased to announce the successful organization of the one-day seminar on "Youth Employment: Challenges and Opportunities" held on 25th March 2022. The seminar provided a comprehensive exploration of the current dynamics of youth employment, offering attendees valuable insights into the complexities and opportunities within the job market. Featuring Mr. Kishor Roy Pramanik, a distinguished employee of TCS (Tata Consultancy Services), as the keynote speaker, the event was marked by engaging discussions and practical strategies for navigating career challenges effectively. Students and young professionals benefited significantly from Mr. Pramanik's expertise and the interactive sessions, gaining insights that will enhance their employability and career readiness. The seminar also facilitated networking opportunities, allowing participants to connect with industry peers and experts, thereby expanding their professional connections. We extend our gratitude to all participants, speakers, and organizers whose contributions ensured the seminar's success in empowering youth to achieve their career aspirations.

One Day State Level Webinar on "INDISPENSABILITY OF DIGITAL LIBRARIES FOR ACADEMIC PURSUITS IN DISADVANTAGES TIMES AND AREA"

Organized by Department of Mathematics, Achhruram Memorial College, Jhalda

Date: 26.03.2022

Venue: Achhruram Memorial College, Jhalda

The webinar "Indispensability of Digital Libraries for Academic Pursuits in Disadvantaged Times and Areas," successfully organized by Achhruram Memorial College, offered substantial benefits to both students and teachers. For students, the webinar provided invaluable access to a diverse array of scholarly resources, overcoming geographical and logistical barriers often exacerbated by situations like the COVID-19 pandemic. It empowered students with the flexibility to pursue self-directed learning, enhancing their research skills and expanding their academic horizons beyond traditional classroom settings. Additionally, the webinar equipped students with essential digital literacy skills, preparing them to navigate future educational challenges and excel in a digitally-driven academic environment. For teachers, the webinar facilitated professional development by demonstrating effective methods for integrating digital libraries into their teaching practices. It fostered collaboration among educators, enabling the sharing of innovative teaching strategies and resources to enrich curriculum delivery. Ultimately, the webinar underscored Achhruram Memorial College's commitment to promoting inclusive education and empowering both students and teachers with the tools and knowledge necessary for academic success in today's dynamic educational landscape..

“International Seminar on BanglarJatiyotabad: 1800-1971”

Organized by the Department of History, Sidho-Kanho-Birsha University in Collaboration with A. M. College, Jhalda

Date: 26.03.2022

Venue: Sidho-Kanho-Birsha University

The International Seminar on "BanglarJatiyotabad: 1800-1971" seems to focus on the historical trajectory of Bengal's identity and nationhood from the beginning of the 19th century to the year of Bangladesh's independence in 1971. This period witnessed significant social, political, and cultural transformations, including the rise of nationalist movements, colonial rule, partition, and the emergence of Bangladesh as an independent nation.

This seminar brings together scholars, researchers, and experts from diverse backgrounds to explore various aspects of Bengal's history, including its socio-economic development, cultural exchanges, political struggles, and the formation of collective identity. Through discussions, presentations, and academic exchanges, participants can gain new insights and perspectives on the complexities of Bengal's historical journey and its implications for contemporary society.

International Seminar on Banglar Jatiyotabad: 1800-1971

A National Webinar on “Material Science and Nano Technology”

Organized by Department of Chemistry, A. M. College, Jhalda

Date: 06.04.2022

Venue: Achhruram Memorial College, Jhalda

The Department of Chemistry at Achhruram Memorial College, Jhalda, Purulia, West Bengal, successfully organized a National Webinar on "Material Science and Nanotechnology" on April 6, 2022. This webinar attracted enthusiastic participation from college students alongside national and international experts and researchers. It provided an enriching opportunity for students to delve into cutting-edge developments in material science and nanotechnology, including discussions on nanostructured materials, nanoelectronics, biomaterials, and their practical applications across various industries. The event not only broadened students' understanding of these innovative fields but also inspired them to explore potential research opportunities and career paths in scientific domains. Achhruram Memorial College remains committed to nurturing students' curiosity, academic growth, and research interests through such impactful educational initiatives. We extend our heartfelt appreciation to all participants, speakers, and organizers whose contributions made this webinar a resounding success and a valuable learning experience for all involved.

One Day Seminar on “Entrepreneurship by Admin-Talent Acquisition”

Organized by Career Counselling Cell in collaboration with IQAC, A.M. College, Jhalda
Sponsored by Achhruram Memorial College, Jhalda, Purulia

Venue: Venue: A.M. College, Seminar Hall

Date: 12.04.2022

Following the successful culmination of the seminar on “Entrepreneurship by Admin-Talent Acquisition” held on 12th April 2022 at the Seminar Hall, A.M. College, Jhalda, the Career Counseling Cell is excited to announce a promising placement opportunity for students. The seminar provided a platform for insightful discussions on entrepreneurship and effective talent acquisition strategies essential for business success. Mr. Shyam Jee Singh, Placement Officer at NTTF (Nettur Technical Training Foundation), shared practical insights on identifying entrepreneurial opportunities and building strong teams through strategic talent acquisition practices. As a result, students gained valuable knowledge and skills that align with current industry demands. We encourage interested students to leverage this learning and prepare for upcoming placement drives. Further details regarding participating companies, interview schedules, and registration information will be communicated soon. For inquiries and early registration, please contact [Insert Contact Information]. This placement opportunity marks a significant step towards enhancing students’ career prospects, thanks to the insightful contributions from participants, speakers, and organizers during the seminar.

One Day Seminar on “Seminar on Intellectual Property Rights”

Organized by IQAC, A.M. College, Jhalda
Sponsored by Achhruram Memorial College Jhalda, Purulia

Venue: Venue: A.M. College, Seminar Hall

Date: 15.04.2022

The Seminar on "Intellectual Property Rights" organized by IQAC Achhruram Memorial College, Jhalda, Purulia, on 15th April 2022, was a transformative event for student awareness. Led by Dr. Debopam Raha, Principal of Sitaram Mahato Memorial College, the seminar provided an in-depth exploration of intellectual property, covering patents, copyrights, trademarks, and trade secrets. Dr. Raha's expert guidance underscored the crucial role of IPR in stimulating innovation and safeguarding creative works. Practical examples and case studies offered participants practical insights into applying IPR concepts in real-world contexts, preparing them to navigate potential challenges in their academic and professional journeys. Addressing contemporary issues like digital rights management and global IP trends further enriched students' understanding of the dynamic field. The interactive Q&A session not only clarified doubts but also reinforced the relevance of IPR across academic, research, and professional domains. Overall, the seminar significantly enhanced student awareness of intellectual property's importance and application in today's interconnected world.

A Webinar on "An Exclusive Session On Career Guidance Program (CAT/ Govt Jobs/ Higher Education)"

Organized by Department of Mathematics, A.M. College, Jhalda

Venue: Achhruram Memorial College, Jhalda

Date: 25.04.2022

The Department of Mathematics at Achhruram Memorial College, Jhalda, successfully organized a webinar titled "An Exclusive Session on Career Guidance Program (CAT/ Govt Jobs/ Higher Education)" on April 25, 2022. Held at Achhruram Memorial College, Jhalda, this webinar aimed to provide invaluable guidance to students interested in pursuing careers in CAT (Common Admission Test), government jobs, and higher education.

The webinar was met with enthusiastic participation and positive feedback from attendees. It featured expert-led sessions that covered various aspects of career planning and preparation. Participants benefited from insights into effective strategies for excelling in CAT exams, navigating the competitive landscape of government job examinations, and exploring opportunities for higher education. The sessions included interactive discussions, practical tips, and opportunities for participants to engage with industry experts and alumni.

At Achhruram Memorial College, Jhalda, we are committed to supporting the career aspirations of our students by providing them with the necessary knowledge and resources to make informed decisions. This webinar exemplified our dedication to enhancing student success and readiness for future endeavors.

We extend our appreciation to all participants, speakers, and organizers for contributing to the success of this webinar. Stay tuned for more educational initiatives and opportunities at Achhruram Memorial College, Jhalda, as we continue to empower our students towards achieving their academic and professional goals.

The poster is a vertical rectangular graphic with a blue and yellow color scheme. At the top, it says "LIVE WEBINAR" in a red box. Below that, the text "Let's Create the difference" is in small white font. The main title "An Exclusive Session on Career Guidance Program" is in large white font, with "(CAT/ Govt Jobs/ Higher Education)" in smaller red font below it. The date "Date: 25/04/2022" and time "Time: 1 PM - 2 PM" are in white text on a red background. A large circular portrait of Mr. Hari Babu Ande is on the left. To his right, his name "Mr. Hari Babu Ande" is in a white box, followed by "SPEAKER" and "STAR EDUCATOR AT UNACADEMY 7 years of Teaching Experience in GATE/ESE/CAT." Below this, the "PATRON" is Dr. Arup Karli Konar, Principal of A.M. College, Jhalda. The "COORDINATOR" is Dr. Shibajee Singha Deo, HOD, Department of Mathematics, A.M. College, Jhalda. At the bottom, it says "ORGANIZED BY Department of Mathematics Achhruram Memorial College Jhalda Jhalda, Purulia, West Bengal, 723202" with a small logo on the left.

One Day Seminar on “Entrepreneurship”

Organized by Career Counselling Cell in Collaboration with IQAC
Sponsored by Achhruram Memorial College, Jhalda, Purulia

Venue: Venue: A.M. College, Seminar Hall

Date: 27.07.2022

The one day seminar on Entrepreneurship organized by the Career Counselling Cell in collaboration with the Internal Quality Assurance Cell (IQAC) at Achhruram Memorial College, Jhalda, Purulia, concluded successfully on 27th July 2022. This educational event aimed to deepen participants' understanding of entrepreneurship, emphasizing innovative practices and strategic business development approaches. Dr. Samar Kanti Chakraborty, Convenor of the Career Counselling Cell, orchestrated the seminar, ensuring a well-structured and engaging program. Highlighting the seminar was Mr. Sanjay Kumar, an esteemed employee of TCS (Tata Consultancy Services), who delivered a keynote address. Mr. Kumar's insights from his tenure at TCS provided valuable perspectives on entrepreneurial skills, industry dynamics, and practical challenges faced in the corporate world. The seminar fostered lively discussions and interactive sessions, encouraging participants to explore entrepreneurial opportunities and cultivate innovative thinking. The event's success was bolstered by the active participation of students, faculty, and industry professionals, underscoring its role in promoting entrepreneurial education and fostering a culture of innovation at Achhruram Memorial College.

A One Day Seminar on “Gender Equity”

Organized by IQAC, A.M. College, Jhalda
Sponsored by Achhruram Memorial College, Jhalda, Purulia

Venue: Venue: A.M. College, Seminar Hall

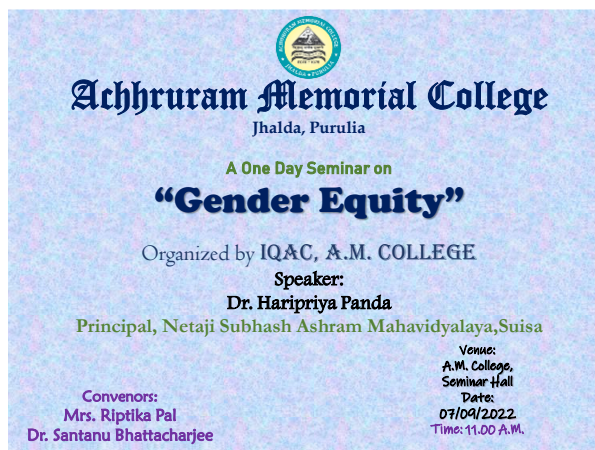

Date: 07/09/2022

On September 7, 2022, Achhruram Memorial College in Jhalda hosted a seminar on Gender Equity under the auspices of its Internal Quality Assurance Cell (IQAC). Dr. Haripriya Panda, Principal of Netaji Subhash Ashram Mahavidyalaya, Suisa, Purulia, delivered a keynote address emphasizing the importance of gender equality in academic and societal realms. Her insights and expertise provided attendees with valuable perspectives on fostering inclusivity and combating gender-based discrimination.

Mrs. Riptika Pal, the Librarian at Achhruram Memorial College, served as the seminar's coordinator, ensuring the smooth organization and logistics of the event. Her role included facilitating discussions and managing resources related to gender equity issues, enhancing the educational experience for participants. Dr. Santanu Bhattacharjee, Head of the Bengali Department, contributed his academic expertise to the seminar, enriching discussions on gender issues within cultural and literary contexts.

The seminar featured presentations, discussions, and possibly workshops aimed at raising awareness about gender equity challenges and promoting strategies for creating a more equitable environment within the college community.

Overall, the seminar on Gender Equity organized by IQAC at Achhruram Memorial College underscored the institution's commitment to fostering dialogue and action towards achieving gender equality, reflecting its dedication to promoting a supportive and inclusive educational environment.

A One Day Seminar on “Gender Equity”

Organized by IQAC, A.M. College, Jhalda
Sponsored by Achhruram Memorial College, Jhalda, Purulia

Venue: Venue: A.M. College, Seminar Hall

Date: 23.02.2023

The Internal Quality Assurance Cell (IQAC) of A. M. College, Jhalda, hosted a one-day seminar focused on "Gender Equity" on February 23, 2023. The primary objective of the seminar was to enhance awareness and stimulate constructive dialogue on issues pertaining to gender equality and empowerment.

Our Speaker, Ms. Barnali Paramanik, a seasoned professional in Child Protection and Adolescence care from Purulia, delivered the keynote address. Her presentation centered on the crucial importance of gender equity in contemporary society. Ms. Paramanik shared insights from her extensive experience, highlighting challenges and opportunities for advancing gender equality. Throughout the seminar, participants actively engaged in discussions and interactive sessions. Topics ranged from understanding the root causes of gender disparities to exploring strategies for promoting inclusivity and equality in various spheres of life. The seminar provided a platform for students, faculty, and staff to deepen their understanding of gender-related issues and reflect on their roles in fostering a more equitable society.

Under the guidance of Mrs. Riptika Pal, the seminar was well-organized and received positive feedback from attendees. It served as an empowering experience, encouraging participants to consider practical steps towards creating an environment where gender equity thrives.

Overall, the seminar on "Gender Equity" was a significant milestone in the college's efforts to promote social awareness and advocacy for gender equality. It reinforced the importance of inclusive practices and collaborative efforts in addressing gender-related challenges within the college community and beyond.

One Day Seminar on “Research and Methodology”

Organized by IQAC, A.M. College, Jhalda
Sponsored by Achhruram Memorial College Jhalda, Purulia

Venue: Venue: A.M. College, Seminar Hall

Date: 03.05.2023

The one-day seminar on "Research and Methodology," organized by IQAC at A.M. College, Jhalda, on 3rd May 2023, proved to be a transformative experience for students and faculty alike. Dr. Pravat Kumar Mandal, Principal of Kotshila Mahavidyalaya, delivered an insightful keynote address that underscored the significance of rigorous research methodologies across academic disciplines. The seminar coordinated by Dr. Tarun Kumar Barik, an associate professor in the Department of Physics and department head, the seminar featured engaging sessions on research design, ethical considerations, and practical workshops that allowed participants to apply theoretical knowledge. The interactive panel discussion further enriched the learning experience, providing a platform for exchanging ideas and perspectives on contemporary research trends. The seminar's conclusion emphasized the importance of integrating robust research practices into academic pursuits, thereby fostering a culture of scholarly inquiry and innovation within the institution. This event not only equipped attendees with essential research skills but also reinforced A.M. College's commitment to academic excellence and intellectual growth.

A One Day Seminar on “Gender Equity”

Organized by IQAC, A.M. College, Jhalda
Sponsored by Achhruram Memorial College, Jhalda, Purulia

Venue: Venue: A.M. College, Seminar Hall

Date: 11.05.2023

The Internal Quality Assurance Cell (IQAC) of A.M. College, Jhalda, proudly announces the successful completion of its one-day seminar on "Gender Equity" held on 11th May 2023, at the Seminar Hall, A.M. College, Jhalda. This significant academic event served as a platform for robust discussions centered around gender equality, with a particular focus on combating the pervasive issue of early marriage and its adverse impact on girls. Ms. Mrinal Mahato, esteemed Team Leader at Empowerment through Development Foundation (EDF), Purulia, delivered a compelling keynote address, elucidating actionable strategies to empower girls and eliminate the harmful practice of early marriage. The seminar witnessed enthusiastic participation from a diverse audience comprising scholars, educators, policymakers, and passionate activists, fostering a comprehensive dialogue on the complexities of gender dynamics in contemporary society. The event not only highlighted the urgency of addressing gender disparities but also reaffirmed our collective commitment to promoting inclusive and equitable opportunities for all individuals. We extend heartfelt gratitude to all attendees and stakeholders whose valuable insights and unwavering dedication contributed significantly to advancing gender equity and safeguarding the rights of girl children.
